

Spring Amphibian Hunt

If you want to learn about salamanders and frogs, join North County Land Trust for a hands-on science investigation of vernal pools. Learn why big woodland puddles are so important to amphibians, and help us use scientific criteria to certify official vernal pools.

Pre-registration is required to ensure adequate supplies.

What to Bring: Water, a bagged lunch, and washable outfits. Tall rubber boots and aquatic nets, if you have them.

Location: Crocker Conservation Area: Meet at the Crocker Conservation Kiosk at the end of Flat Rock Road in Fitchburg.

Cost: \$8 adults (16 and up)/ \$5 child. (NCLT Members: \$4/\$2)

**Rain Date: April 5th*

**Saturday
March 29th
11am-3 pm**
