Selectmen Discuss Police Regionalization Study Committee:

Peter McMurray – briefed members of the Committee who were present (Dennis Moore, Mary Krapf, Angela Jack, Doug Brisebois) and indicated that it was his impression that some people thought that this matter, the regionalization, was a "done deal" and assured the committee and the townspeople that that was not the case. The first action by the BOS was to form the study committee and now to charge them to review the report. The final decision on Regionalization will be made by the voters of the town. Peter McMurray encouraged members to dig in to the Report ...to ask questions that strike them as significant issues that need to be clarified...The BOS will work to provide any assistance that the Committee may request...Discussion was held vis-à-vis corrections, rumors,

Chairman stated that if the Town votes down the Regionalization Plan the BOS will look to have the Town commit to supporting the police department....

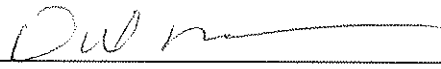

A general discussion was held re: the obligations specified under the Open Meeting Law vis-à-vis agenda and minutes...
