Work out details with BOS. PM states goal for Ashby is to save money and do what is good for town. Mechanisms would have to be worked out before anything was decided. PM stated there is a working session with Collins Center in a couple of weeks and would like to talk about it and then make a decision after that meeting. JC requested a list of savings that TA has obtained for Town of Ashburnham to show the 2 million dollar savings. Mr. Vitone will send to BOS. JC asked if Ashburnham government is aware of this. States they are aware and in favor of it. States TA in Ashburnham is person who suggested this as a cost saving measure. BOS thanked Mr. Vitone for his time and presentation. JC asked about time frame to initiate this Mr. Vitone would like to move at whatever pace would move things along with budget time.
