Request for Selectmen's Discussion of Proposed Old Engine House Lease Changes: PM/JC agreed to table discussion so that Town Administrator can review it and consult with Town Counsel.

Request for Selectmen's Discussion of 250<sup>th</sup> Celebration. (Lillian Whitney)

Lillian states that their needs to be an organized committee to get started with this. She suggests that they have a representative from each organization in town. She also suggests that each organization have an alternative in case the original rep can't make it. She states she has donations of \$300.00 which is now in her account – "250<sup>th</sup> anniversary account". PM insisted that she give the money to the Town Treasurer immediately and she will set up the account as this is town money. She states she will do what her bank tells her as she has invested this money. There are only 4 members left of the original committee and they would like to have input in this. JC asked LW to give a little info on how the original celebration was done. Would like to have the kickoff night be March 5<sup>th</sup> of 2017. She would like the public to call her if there are any events going on that she could use for the event. PM will have emails sent out to all Town Boards and Committee members to see what their interest on this would be. She thanked the BOS for giving her the time to speak.

Assistant to the Board of Selectmen's Report: Roof of the Elementary School will be started this week. Materials have been delivered. There is a janitor working in the school to do painting and repairs that can't be done when children are present. Flu Clinic will be held at the American Legion on October 20<sup>th</sup> from 12-1:30.

Recycling of reusables will take place on November 5<sup>th</sup>, 9-2 at the Ayer/Shirley Regional School in Ayer on Washington St. This service is free with a donation of non-perishable food.

Tying in of the septic system is complete. The Town Hall is now tied into the school's septic.

Public Comments (if any)

JC would like to see a public function with the re-opening of the Wheeler Rd Bridge in Townsend. DB will check on completion date.

12) Motion to adjourn at 7:59 p.m.
