Ashby Conservation Commission
Minutes for the Special Meeting of November 9, 2016

The meeting was opened at 6:45pm with Tim Bauman, Cathy Kristofferson, and Roberta Flashman in attendance.

Old Business:

An Order of Conditions (OOC) was issued for Adams Construction for the DEP#93-357 project at 1341 Richardson Rd. Mr. Adams appeared to discuss the OOC and receive it in person. The project is to be undertaken in 2 phases, the first of which will consist of filling a sink hole at the road edge of his property and constructing drainage for the new driveway for the existing home. The 2nd phase of the project will need to go through a planning phase with the Commission. It will address the drainage from the road which runs across the property. Both the Commission and Mr. Adams will invite Ashby Highway Department to be a part of the planning phase.

No other business was conducted during the meeting.

Meeting was adjourned at 6:52pm.

Respectfully submitted,

Roberta Flashman
