The hearing for 0 Allen Rd, project for a new, single family home and presented by Graz Engineering was opened at 8:00pm. Property is owned by Jameson VanDyke.

The Chair, Tim Bauman, was not present. Roberta Flashman has filed a letter addressing any potential for conflict of interest because of the proximity of a property she owns to this parcel. Cathy Kristofferson has recused herself from this project because she lives across the street from the property.

No DEP number has been issued yet.

It was decided that Graz Engineering could present the project, but that no decision could be made.

Paul Grasewicz from Graz Engineering asked for continuance of the hearing to a date when there can be a quorum present. He can be reached at 603-585-6959.

Leach field and tank have already been constructed and wetlands have been permanently marked. Set a site visit for Tuesday, May 21, 2019.

Continue hearing at 8:08 to June 5, 2019 @ 8:00pm.
