AP moved to approve the minutes of July 12, 2017. JL 2nd. 2 yea, 1 abstain, approved.

Marijuana Bylaw

Mark began researching facts on infrastructure needs. Fire safety is a big issue because of the strength of lighting. State is still in flux but making progress on regulations.

AP asked about town revenue info. Mark; so far it has been hard to find a source for this.

AP so far over 200 people have taken the online survey but results have not yet been tabulated.

Community Develop Plan Tasks

Mark gave a summary of the 2004 CDP and the MRPC Land Use Element. He suggests to review and focus on the action items in the 2004 CDP and take it up after the marijuana bylaw.

The conversation then wandered off to picking wild blueberries in Machias, ME and Wymans processing facilities there.
